

# QUEST BOOSTER INSTRUCTIONS

ONE PLANET

**The Quest quilts are a booster for your bag, extending both the warmth and versatility of your sleeping bag.**

The Quest attaches quickly, easily and securely to all ONE PLANET bags, either at home or in the field, boosting the possibilities of both your bag and your adventures.

## Attaching your quilt to your sleeping bag

- 1 Unzip your ONE PLANET sleeping bag and find the attachment loops beside the zip draft tube(s). (Four each side, eight total.) Find the top loop at the neckline.

- 2 Locate the hook-and-loop tabs on your Quest quilt, remove the daisy chain and store it away safely. Thread the top hook-and-loop tab on the Quest through the corresponding loop on the sleeping bag to secure.

- 3 Work your way down the bags until all eight points are attached.
